Entertaining with a Happy Heart

Bebop has been a professional family entertainer and clown for over 17 years. Her presentations include music, dance, silly magic, comedy antics and more. She performs locally at family gatherings, school and church festivals and as a "Caring Clown" at hospitals, shelters, nursing homes and for community events throughout the city. Bebop also offers clown workshops for children and adults. These workshops are designed for the young and the young at heart, anyone interested in bringing joy to others.
